

# Organising Country Parks Mountain and Shorelines Clean-up Activities

Contact the relevant department on waste disposal arrangement

## Exemption Arrangement

The concerned department will make reference to the event arrangement to determine whether to provide garbage bags designated for exempted government waste

## Arrangement for Waste Collection

The waste collected should be disposed of at the collection point or temporary waste collection point agreed with the concerned department.

## Shorelines Clean-up Activities

Environmental Protection Department  
(Water Quality Management Group)
