

# How to Dispose of Oversized Waste?

Oversized waste refers to waste that cannot be wrapped in designated bags!

## Confirm with the property management the oversized waste collection arrangements

(If there is no property management service, the FEHD's waste collection services would generally be used)

### Employ FEHD's waste collection services

1

Buy designated labels from authorised retail outlets

2

Affix a designated label to each oversized waste

### Hire private waste collection services

(refuse collection vehicles without rear compactors)

Gate-fee could be shared by households according to the methods below:

Specify the fee levels for common oversized waste\*

or

Set up weighing scale to apportion the fee according to actual waste weight

or
