

How to Dispose of Waste?

Remember to dump less and recycle right!

Sort recyclables

Deliver to recycling facilities in the premises

Hand over to reliable recyclers

Non-recyclable waste for disposal

Self-arrange

(Disposed of by staff/ Collected by private waste collectors with refuse collection vehicles with rear compactors)
Charging by designated bags

Arranged by shopping mall/premises

Confirm with property management company
Charging by designated bags or by weight

or

FEHD's Refuse Collection Points

Private Waste Collectors

or

Hand over to the shopping mall/
premises' cleansing workers

Dispose of at premises'
communal waste reception areas

or

If "Charging by designated bags" is adopted

- 1 Buy designated bags from authorised retail outlets

- 2 Use designated bag(s) to properly wrap the waste

*In general, "Charging by weight" is applicable to oversized waste that cannot be wrapped in designated bags.

If "Charging by weight" is adopted

Designated bags are not applicable;
Arrange for the payment of "gate-fee" with waste collectors
or follow the mechanism formulated by shopping mall/
property management company to apportion the "gate-fee"
