II		Recycling Facility and Collection of Recyclables at the Premises		
		Existing Types of Recycling Facilities (Please ✓)	Qty	Information of Recyclers
Specified Recyclables	<input type="checkbox"/>	Traditional Three-colour Recycling Bin (Paper) @		
	<input type="checkbox"/>	Traditional Three-colour Recycling Bin (Metal) @		
	<input type="checkbox"/>	Traditional Three-colour Recycling Bin (Plastics) @		
	<input type="checkbox"/>	Smart Recycling Bins (Paper/Metal/Plastics)@		
	<input type="checkbox"/>	Glass Container Recycling Bins@		
	<input type="checkbox"/>	Beverage Carton Recycling Bins@		
	<input type="checkbox"/>	Traditional Food Waste Recycling Bins@#		
	<input type="checkbox"/>	Smart Food Waste Recycling Bins@#		
Other Recyclables	<input type="checkbox"/>	Small Electrical Appliances Temporary Collection Point@		
	<input type="checkbox"/>	Fluorescent Lamps and Tubes Recycling Bins @		
	<input type="checkbox"/>	Rechargeable Battery Recycling Bins@		
	<input type="checkbox"/>	WEEE Temporary Collection Point@		

@ Please provide supporting documents, such as photos or location maps of the recycling facilities. If sufficient recycling facilities are not yet available, the case will be referred to the Green Outreach Team for follow-up.

For single-block buildings in which installation of food waste recycling bins is not feasible due to limited common area, the management can arrange to collect other five specified recyclables (i.e., paper, metal, plastic, glass containers, and beverage cartons) only.

III	Applicant's Commitment to the Charter (Applicant must commit to all conditions in order to participate in the Charter)		
<input type="checkbox"/>	Provide, as far as practicable, at least one set of recycling bins for each residential building, which should be placed near the entrance or other convenient locations for residents to participate in recycling		
<input type="checkbox"/>	Arrange regular collection of recyclable materials for recycling by recyclers		
<input type="checkbox"/>	Obtain and retain collection and transportation records from recyclers after each collection and submit quarterly reports to the Environmental Protection Department (EPD)		
<input type="checkbox"/>	Encourage residents to practise source separation of waste and clean recycling through publicity and education		
<input type="checkbox"/>	Regularly announce quarterly recycling data to residents in common areas of the estate or building		

Declaration

I have read the “Waste Reduction and Recycling Charter – Application Guidelines” and understood the above information. I confirm that the consent from the residents’ organisations for the above application has been obtained.

I also declare that the information provided in the above application form is correct to the best of our knowledge.
